

MEMORANDUM OF UNDERSTANDING

STEFAN MEYER INSTITUTE

and

GAUHATI UNIVERSITY

This memorandum of Understanding is made between the Stefan Meyer Institute of the Austrian Academy of Sciences, Vienna, Austria, and Gauhati University, Guwahati-781014, Assam, India.

The aim of this document is to record an understanding between Stefan Meyer Institute and Gauhati University by which Stefan Meyer Institute and Gauhati University may co-operate in establishing closer links involving:

- Exchange of research staff and research students,
- Exchange of research materials,
- Collaborative and contract research projects,
- Participation in/organization of research seminar/conferences/workshops.

It is proposed that the closer links be initially established in the following areas:

- Nuclear Physics & Experimental high energy physics,
- Detector development and R & D and simulation,
- Physics analyses.

It is intended that specific collaborative arrangement between the two institutions will be set out in separate agreements.

It is also proposed that Stefan Meyer Institute and Gauhati University work together to identify and secure new funding opportunities in support of proposed research collaboration activities.
