

Feedback 2016 Summary

Note:

(1) No attempt is made to provide an aggregate percentage of response on the identified issues. Please refer to the feedback report and to the summaries of responses for each department/Programm.

(2) One of two parts of the feedback, which collects information on courses, is analyzed for this report.

1.	Year feedback taken:	2016 (June)	
2.	Stakeholders:	Students	Students from 41 programmes provided feedback
3.	Mode of feedback collection	Google Forms	Part of the feedback analysis will be uploaded
4.	Feedback analysis	Frequency analysis is generated by Google Forms	Feedback Analysis reports generated by Google Forms (of the first part) will be uploaded

5.	Major issues identified in the feedback	(i) Lack of flexibility of courses
		(ii) Course revision required in some departments
